coverage for future reference.**

INTRODUCTION

Hospitalization, surgery and accompanying medical Expenses are at an all time high. Many students and their parents are not prepared to meet the added cost of unexpected Accidents or Sicknesses. Although many families have some form of health insurance, these plans often do not cover a college student after age 18 or when the student is out of the provider's area. Costly medical bills can impose a tremendous hardship, and even necessitate withdrawal from school.

Rochester College is concerned with the health and well-being of its students. Student Accident and Sickness Insurance is designed to provide low-cost coverage for unanticipated medical Expenses. Please read the provisions of this insurance plan carefully and retain this brochure for future reference.

ELIGIBILITY

Students that are eligible for coverage are: Degree seeking traditional students that have a minimum of 9 credits hours and attend the Rochester College campus for these classes. These students are automatically enrolled in this Insurance plan, and the cost of \$471 will be included in the tuition bill unless proof of comparable coverage is furnished. Eligible students enrolled in the plan may also insure their dependents. Eligible dependents are the spouse and unmarried children under the age of 19 who are not self-supporting and reside with the Insured student. CEL and non-degree seeking students are not eligible.

REFUND PROVISION

In the event an Insured person leaves school to enter active military service, coverage will cease and a pro rata refund of premium will be made upon request. Other than as stated here, no refunds are available.

TERM OF COVERAGE

The policy for the current year becomes effective on August 01, 2011 at 12:01 a.m. and expires on August 01, 2012 at 12:01 a.m. Coverage remains in effect during holiday and vacation periods. Should an Insured person graduate or withdraw from the College, the insurance shall remain in effect until the end of the period for which premium has been paid. The plan protects the insured students of Rochester College at home, at school, or wherever they are 24 hours a day.

WAIVER/ENROLLMENT DEADLINE

If You have proof of comparable insurance and wish to waive coverage, the deadline to waive out this plan is September 2, 2011. The waiver form must be completely filled out and returned to the Student Financial Services.

We shall credit the time You were previously covered under a previous health insurance plan or policy or employer provided health benefit arrangement, if the previous coverage was continuous to a date not more than 63 days prior to the effective date of the new coverage. Such credit shall apply to the extent that the previous coverage was continuous to a date not more than 63 days prior to the effective date of the new coverage. Usual and Customary Expense means an Expense which: a) is charged for treatment, supplies or medical services Medically Necessary to treat the Insured's condition; and b) does not exceed the usual level of charges made for similar treatment, supplies or medical services in the locality where the Expense is incurred.

We, Us or Our means Markel Insurance Company.

You, Your or Yours means the Insured.

CONTINUOUS COVERAGE

Such credit shall apply to the extent that the previous coverage was substantially similar to the new coverage.
