DEFINITIONS

Accident means a sudden, unexpected, identifiable event caused solely by an external physical force resulting in Injury to an Insured person. Accident does not include a Loss arising out of a health condition or health impairment.

Deductible means the amount an Insured is required to pay as provided by the applicable coverage under the policy in the event of a Loss.

Expense means the Usual and Customary charges for Medically Necessary treatment, service or supplies. Such Expense shall

not include any amount not customarily charged to persons without insurance.

Hospital means a licensed institution including a tax supported institution of the state which has on the premises, or prearranged access to, medical and surgical facilities. It must maintain permanent facilities for the care of overnight resident patients under the care of a Physician. It must have a Registered Nurse (R.N.) always on duty or call. Confinement in the special wing of a Hospital used primarily as a nursing, rest, convalescent or extended care facility is not confinement in a Hospital, unless such confinement is because of a lack of space in the Hospital's full service wing.

Injury means bodily harm caused by an Accident which occurs while the policy is in force and is the sole cause of the Loss.

Insured means an eligible student or an eligible student's dependent (if dependent coverage is available under the policy).

Loss means Medical Expense caused by Injury and covered by the Policy.

Medically Necessary means medical services, supplies or treatment authorized by a Physician to treat an Insured person's bodily Injury which are: a) consistent with the symptoms or diagnosis; b) appropriate and accepted according to good medical practice standards; c) not primarily for the convenience of the Insured person, Physician or other providers; and d) consistent with the most appropriate supply or level of services which can safely be provided to the patient.

Physician means any practitioner of the healing arts, licensed by the state in which he practices and acting within the scope of his license, including a duly licensed podiatrist, surgeon, osteopath, dentist, chiropractor, optometrist, psychologist, physical therapist and graduate nurse. Physician shall not include a member of the Insured's immediate family.

Pre-Existing Condition means conditions manifesting themselves in symptoms which would cause an ordinary prudent person to seek medical advice, diagnosis, care or treatment or for which medical advice, diagnosis, care or treatment was recommended or received during the six months immediately preceding the effective date of coverage or as to a pregnancy existing on the effective date of coverage or as to a pregnancy existing on the effective date of coverage. A condition will not be considered pre-existing once an Insured has been covered for 12 months following the effective date of coverage.

Usual and Customary Expense means an Expense which: a) is charged for treatment, supplies or medical services Medically Necessary to treat the Insured's condition; and b) does not exceed the usual level of charges made for similar treatment, supplies or medical services in the locality where the Expense is incurred.

We, Us or Our means Markel Insurance Company.

You, Your or Yours means the Insured.

Loss to hands and feet means severance at or above the wrist or ankle joints. Loss of sight means total and irrecoverable loss of sight.

COORDINATION OF BENEFITS

This policy coordinates with other plans under which an individual is covered so that the total benefits available will not exceed 100% of the allowable Expenses.

When a claim is made, other valid and collectible group insurance or group plan pays its benefits without regard to this policy. This policy then adjusts benefits so that the total benefits available will not exceed the allowable Expenses. No plan pays more than it would without the coordination of benefits provision. In the absence of other valid and collectible group insurance or group plan, it is Our intention that Expenses incurred in connection with any covered Injury shall be fully payable subject to the terms, conditions and limitations of this policy.

"Other valid and collectible group insurance or group plan" shall mean any plan providing medical Expense benefits for or by reason of dental, Physician, nurse, Hospital care, treatment or confinement, or the performance of surgery and/or anesthesia, which benefits are provided by any of the following:

- 1) Any type of service plan contracts;
- 2) Any group blanket insurance (except a blanket school accident plan);
- 3) Any employee benefit plan;
- 4) Any plan arranged through an employer, trustee, union or employee benefit association;
- 5) Any plan or program created or administered by the national or state government or agencies thereof

A plan without a coordinating provision is always the primary plan.
